

LIFE GROUPS

**Growing in love for God
and for one another**

Life Groups are a new initiative at St Michaels but are not new to the wider church.

These groups might look very different and do different things, but they are all united by a common idea: A smaller setting providing space for community to form and for exploration of teaching in a way that is not possible in a Sunday service. A life group, then, is a group of people choosing to grow in fellowship and community, to grow in faith and support one another in life.

A typical gathering might include:

- Sharing some food together
- Praying together
- Exploring the Christian faith and Scripture
- Catching up on one another's news
- Worship
- Studying a book together
